The third grade students will be doing their annual **Trick-or-Treat for the Food Pantry**. Community members, students, and staff are encouraged to drop something by the school. Boxes are placed in front of the third grade classroom to collect canned and boxed goods as well as hygiene and paper products. This year's class is small, but mighty! We still want to collect and trick or treat around town, but with the small size, we will not get as much ground covered. It is highly encouraged to drop things by the school. **Third grade students plan to trick or treat from 2:00-3:30.** If we do not make it by your house, please drop it off here at the school. Last years 3rd grade class raised over 500 pounds of food for donation! Thank you for helping show the third grade students that by working together, we can make a huge difference!
