

After School Program

Program Description

Shickley Public Schools will offer an after-school program that runs from 3:30 to 5:30 p.m. on all regular school days, and from 2:30 to 5:30 p.m. on early out days. There is no after-school program when the school closes early due to inclement weather. The after school program is for grades preschool thru second grade only.

Sign In/Sign Out

Students check in with the after-school coordinator. If a child is not attending on a regularly scheduled day, the school office must be notified before noon. Parents must notify the after-school coordinator of any change in pick-up with written permission; for example, if someone not on the pick-up list is picking up your child. Students may be picked up at any time by a parent or adult designated on the pick-up permission list.

Behavior

Students are expected to behave in a manner consistent with the Code of Conduct in the Shickley Public School Handbook. Positive reinforcement is the main form of discipline. Continued disruptive behavior will result in parental notification. While every effort will be made to correct any problems, in extreme cases the superintendent may request that a child be removed from the program.

Schedule

The time spent at the after-school program will allow the students time to relax after the school day, have a healthy snack, and do their homework, as well as, participate in crafts and games. There will also be time for stories, outdoor gross motors (gym time) and centers (activities and games).

Billing

Parents are billed on a monthly basis.

Change of Plans

Parents must notify the school office by 12:00 noon of any change in plans for that day.

Inclement Weather

When the school closes early due to inclement weather, the after-school program will be cancelled for that day. Every effort should be made to pick up your child at the announced early-closing time.
