Triennial Assessment Report to the Public

Shickley Public School

Updating the public

Target Audience(s)	Method	Date
General Community/Board Members	Wellness Hearing/info	9-11-23
General Public/Partners	Website Update	October 2023
Hoofprint Publication	Wellness Efforts/ Progress/Assessment	January Hoofprint 2024
School Staff	Wellness Activities	Ongoing throughout the school year.

Unmet Wellness Goals: The district's Wellness Policies thoroughly address topics required. The district has struggled the past several years through Covid and with changing administration to disseminate Wellness information and involve the public and partners. During the 23-24 school year, the Wellness team will focus on updating and providing information through the school's website, the Hoofprint, and other communication methods. Opportunities for public input will be sought and communicated in a more proficient manner than past years.
